Star Matriculation Higher Secondary School, Karur with **79.2%** (2018-2019)

HSC

Star Matriculation Higher Secondary School, Karur with **83.16%** (2020-2021)

UG

Nandha college of Technology,
Perundurai, Erode.
B. Tech-Information Technology
CGPA-7.7 (2021-2025)

🧠 SOFT SKILLS

- Platform expertise
- Analytics
- Communication
- Problem Solving

💻 TECHNICAL SKILLS

- JAVA(Intermediate)
- HTML and CSS(Basic)
- Java Script (Basic)
- Digital marketing(Basic)

📁 PROJECT

Enhanced 2D Gaming Application

Enhanced 2D Gaming Application
Developed a 2D game using Java AWT and Swing with player movement, collectible coins, and dynamic enemy AI. Features include pause/resume functionality, cooldown mechanics, and gradient-based graphics. Optimized for smooth performance and efficient CPU usage, showcasing Java programming, event handling, and GUI design skills.

Text to speech web page

HTML: Structures the web page, organizing content and interface elements.

CSS: Styles the page with fonts, colors, and layouts for visual appeal.

JavaScript: Enables the text-to-speech feature by interacting with web APIs.

Integration: Combines HTML, CSS, and JavaScript for a seamless text-to-speech user experience.

🏆 CERTIFICATION

- **NPTEL:** Programming in JAVA with **ELITE**
- [HackerRank Certificate](#)
- [HackerRank SQL Certificate](#)
- [HackerRank CSS Certificate](#)

🎮 HOBBIES

- Practicing in Online Websites
- Gym
